Feedback Form - Applicant for ASAR Course Accreditation

Validation of the Accreditation Process

In order to ensure the accreditation processes remains consistent with the principles of accreditation and that the courses accredited comply with the Standards for the Accreditation of Sonographer Courses (SASC) the Accreditation Framework will undergo an ongoing cycle of review and continuous improvement.

It is essential that all stakeholders should have an opportunity for input or participation, as such, your input into the validation process is requested.

Having just completed the accreditation process please provide feedback on:

- the Course Accreditation Application Pack,
- supporting policies, processes, and
- Standards for the Accreditation of Sonographer Courses (SASC).

The Course Accreditation Application Pack

Please answer the following questions in regard to the usability and effectiveness of the Course Accreditation Application Pack:

Criteria	Yes / No	Comment
Is the information in introductory pages of relevance?		
Is the summary of the Application Process of assistance?		
Was it clear from the description in the Evidence guide what evidence you had to provide?		
Were the instructions on completing the application clear and of assistance?		
Were the forms in Part 1 of the Pack easy to complete?		
Were you able to link all the evidence you provided to the Criteria for each standard?		
Was the list of definitions comprehensive? If not what was missing?
